Quality Assurance Visits Record of Evidence and Evaluations

Provider's Name	FSD Academy	Partnership	LNCIP	Date completed	February 2022
-----------------	-------------	-------------	-------	----------------	---------------

Introduction:

QA Visit Record is linked to the Service Level Agreement that Partnerships agree with Providers. It has three elements:

- A list of “before the visit statements” drawn from the SLA
- A list of questions and prompts to shape the enquiry when visiting the Provider
- Four evaluative questions
 - 1. Is the AP ensuring effective Learner Safety?**
 - 2. Is the AP effective in securing progress for learners?**
 - 3. Is the AP ensuring effective pastoral care for each learner?**
 - 4. Does the AP provide a secure and stable learning environment and will it continue to develop and flourish in the future?**

How to Use this document:

1. Partnership will complete all the “before the visit” sections, if necessary having a telephone conversation with the provider and consulting the LEBC database. Further contact may be needed with the Provider until the Partnership can complete all judgements.
2. The document will be shared with the AP once the “before the visit” sections have been completed.
3. The AP leader will be asked to provide evidence either via the provider section of the document or drawing your attention to it on your visit.
4. Before the visit the Partnership and school visitors will consider what they need to find out, through observation and discussion, based on the information supplied in this form and on previous knowledge about the AP.
5. At the visit the Partnership and school visitors may ask to:
 - see samples of evidence to verify the information entered on the form by the AP.
 - observe activities
 - speak to staff and students
 - look at works samples and other documents.
6. At the end of the visit the Partnership and school visitors will agree on their judgements for each section. These judgements will be:
 - Green – “everything is at is should be”
 - Amber – “some aspects require improvement”
 - Red – “cause for concern”. These judgements will be shared with the Provider before the process is finalised.
7. If the Partnership and school consider that the Provider is a cause for concern in any key aspect of safeguarding, health and safety and quality of provision they will alert the Chair of the Partnership. A decision will then be made about future use of the Provider and this decision will be shared across Leicestershire schools and SEIPS.
