At Enstruct Training we strive to enrich the lives of young people by offering fun, engaging and accessible alternative learning programmes in areas they would otherwise not have the opportunity to explore. Our flexible approach allows us to create programmes of learning to reflect the individual needs of our learners, encouraging the development of their self-esteem, confidence and their physical and mental wellbeing. Our skilled and dedicated team provide our learners with programmes which encourage the development of valuable life skills such as resilience and risk management, while

increasing their knowledge and practical skills in the Environmental, Construction and Hair and Beauty sectors. We aim to increase their desire to learn and enhance opportunities for employment and further training
