### **Add any further comments:**

Clover Learning Community has at its core the firm belief that all students can perform well both academically and socially if afforded the right learning environment to meet their needs. As leaders with over 25 years of combined teaching experience in both mainstream and SEN settings, and LA educational services, we are committed to providing a small, nurturing and low arousal environment that accommodates students to feel at ease, regulate their anxieties and engage in their learning. Clover Learning Community is focused on progressing every student according to their individual social, emotional and learning needs and propelling them on a pathway that enables them to flourish as confident, resilient lifelong learners who can play an active part in the world.
